Grounds for Appeal

The Appellant provided the following reasons for appealing the decision of the Development Authority:

Greetings,

We wish to file an appeal to the above referenced notice number and address due to the following reasons:

- When a permit was attempted to be obtained, it was noted by Robert at the City of Edmonton that a permit was not required for development of the driveway
- From the City, their original drawings included the driveway, therefore a permit was not required
- Unfortunately, it has not been possible to arrange counsel meeting, gather additional information and obtain letters from neighbours to assist with the appeal

Due to the miscommunication, we are seeking an appeal to be approved for the driveway that has been placed.
